Medical Ouestionnaire of:	

OUTWARD BOUND's camps include certain sports activities. There is a certain level of fitness necessary for all participants. Handicapped people or people with a medical problem can take part in a camp if OUTWARD BOUND knows about these and can take special care of these people or adjust the program accordingly. Please carefully fill in the following health statement and do answer every question. These information will not be shared with third parties and serves only to protect the health of the participant. **Thanks for your support!**
